## Windows/DirectShow Software Developer

Location: Downtown Vancouver  
Position: Full-time, permanent  
Salary: \$40,000 - \$80,000 based on experience

### EVEN TECHNOLOGIES INC.

Even Technologies, a fast-growing company with leading edge solutions for video compression and delivery, is seeking Windows.net, DirectShow software programmers to join our Vancouver team. Driven by innovation, we are global leaders in video compression technology.

Even Technologies offers an open, adaptable work environment that encourages growth and development. As a company that is expected to grow quite rapidly, there is exceptional growth opportunity for employees seeking to expand their responsibilities through ambition, effort, success and skill development.

We are located downtown, right on the water, in the SeaBus Terminal/Waterfront SkyTrain Station building. Easy access to public transportation and a great patio with peek-a-boo views of the water and North Shore.

### THE POSITION

As a part of our technical department, this position will be well suited for those looking to use their skills to contribute to the success of new product development. We are looking for a team player, with excellent communication skills to facilitate team synergy.

The ideal candidate will be:

- Methodical
- Logical
- Thorough
- Meticulous
- Detailed
- Adaptive
- Creative
